Sir:

In response to the Office Action dated June 16, 2005, please consider the remarks as submitted herewith on the accompanying pages.

**REMARKS**

Careful consideration has been given to the Official Action dated June 16, 2005 and particularly to the election / restriction requirements therein.

Pursuant thereto, applicant restricts the present application to inventions III – VI, inclusive of claims 114-129, 188-192, 214-229 and 288-292, drawn to laser methods.

Of the above, applicant elects, without traverse, the species of claims 188-192 (Species IV) drawn to laser methods particularly set forth in claim 188.
